Dear Applicant:

There are limited funds available for "camperships" in order to assist low-income families in sending their children to the Blue Lake Summer REC Program. Eligibility is based on household size and yearly income and will be determined by AFDC income eligibility guidelines. Camperships will be awarded at 75% of program fees. Because of our limited funds all camperships will be awarded on a first come-first served basis. You will be notified of an award, if any, as soon as possible. It should also be noted that camperships are only available for persons registering for the entire seven weeks of the program.
